Homestay and total immersion courses in the South of England

Heritage English Language Courses – The Total English Language Experience

Heritage English is an exclusive English language school located on the South Coast of England. We offer intensive immersion courses for students of English of all ages, at all levels of ability.

Who do we teach?

- Our intensive courses include one-to-one, two-to-one or small group tuition for business and professional clients from all market sectors.
- We offer specialised training to academic/exam students and young adults planning to live and work in the UK.
- We also provide exciting summer programmes for young learners wanting vacation studies.

What do we offer?

- Private lessons in the home with Cambridge-qualified teachers who are experienced and who plan a course according to your specific needs before your arrival in the UK.
- At least 25 hours per week of corrected conversation with your hosts or tutors
- Accommodation at Newlands Manor or in local family homes with private room and including all meals which are shared with the hosts.
- Accompanied leisure activities or cultural visits of your choice during free afternoons or evenings with conversation practice to consolidate language learned in lessons.
- Heritage Certificate and End of Session Report with detailed recommendations for future study.

What is Homestay?

At Heritage our students stay in our homes, arriving as guests and leaving as friends. We are small and able to give special individual attention to every student who visits.

We match students to hosts and send photos and profiles of the host on confirmation of booking.

Students stay in a most beautiful part of England and share the life and culture of the local community. They have an unforgettable experience and they make rapid progress in English – no matter what their level on arrival – and they keep telling us so!
